

# Meeting the educational needs of EVERY CHILD

## The Leandro Plan

## Dare County Schools

North Carolina's legislative roadmap for delivering the constitutional standard of education

Since 1994, the *Leandro v. State of North Carolina* court case has consistently shown that children are being deprived the sound basic education guaranteed by the state constitution.

### PROBLEM:

**\$** State funding hasn't kept pace with student needs, forcing districts to **cut back** on staff, services, supplies, technology, and facility upgrades.

### SOLUTION:

**✓** The Leandro Plan shows the state how to provide the required education standard by ensuring **adequate funding** and **targeted support** for the unique set of student needs in each district.

## HOW LEANDRO WILL SERVE YOUR COMMUNITY

*Under the Leandro Plan, the state would supply the following funding amounts by 2028:*

**Dare County Schools**  
K-12 PUBLIC EDUCATION

**\$10.1**

MILLION

**28%**

that funding could provide:

**26** MORE  
teacher  
assistants

**1**  
Community School  
Coordinators

**36** MORE  
nurses, psychologists,  
counselors &  
social workers

(Instructional Support Personnel  
at industry-recommended levels)

**140%**  
increase in funding  
for **textbooks,**  
**supplies & instructional**  
**materials**

**\$1,322**  
per teacher for  
**professional**  
**development**

**Dare County**  
EARLY EDUCATION - programs for children birth to age 5

**\$3.0**

MILLION

that funding could provide:

**8** MORE
